

Tax Preparation Checklist

Tax Documents

Bring all your tax forms including W-2, 1099-MISC, 1099-R, 1099-INT, 1099-DIV and SSA-1099 Social Security Statement. A list of typical forms is enclosed. Include all 1099s for investments with Wood Financial Group. Please remove tax forms from envelopes beforehand.

Previous Tax Returns

If we **did NOT** prepare your tax return last year bring your previous 2 years' tax returns. If we prepared your return there is no need to bring previous years' returns, **we have this documentation on file.**

Health Insurance

If you purchased health insurance on the **Affordable Care Act Exchange**, bring the **1095-A Marketplace Statement** sent to you. We do not need copies of 1095-B or 1095-C Proof of Health Insurance. If you have a **Health Saving Account** and had distributions, we need the 1099-SA Distribution Statement.

Home Sale

Bring settlement statements for the **original purchase and sale**. If you do not have the purchase settlement statement give us the purchase date and price (see Zillow website). If you purchased a replacement, we **do not** need a copy of that settlement statement.

Standard Deduction

Ninety percent of taxpayers use the Standard Deduction. It replaces deductions such as medical out-of-pocket, sales tax (in TN), property taxes, mortgage interest and charitable contributions. If you cannot exceed the standard deduction with these expenses, it is not necessary to provide the amounts, as you will use the **Standard Deduction**.

Itemized Deductions (alternative to Standard Deduction)

If you have enough out-of-pocket expenses to **exceed** the **Standard Deduction**. **Please use the worksheet provided:**

- ⇒ Medical expenses. Please do not bring receipts, keep those for your records
 - Total out-of-pocket prescriptions,
 - Total doctor, dentist and hospital expenses
 - Total health and dental insurance premiums
 - List long-term care insurance premiums separately

You will receive a maximum **\$300 per taxpayer deduction** for all charitable contributions if you use the **Standard Deduction**. No receipts are required.
